## CSC Bal Vidyalaya

CSC Bal Vidyalaya is a flagship initiative of CSC Academy. It is the fastest growing network of technology-enabled preschools in India, especially in rural India. It focuses on joyful learning for the children in the age group of 3 to 6 years. These preschools function primarily at Nursery, LKG & UKG. CSC Bal Vidyalaya was launched on 6<sup>th</sup> July 2020. We have grown to 3100 CSC Bal Vidyalaya across country, with a presence in 31 States covering 577 Districts as on 30<sup>th</sup> November 2022. And the journey continues...

At CSC Bal Vidyalaya, we strongly believe in continuous upskilling of educators. With more than 2494 trained educators, CSCBV have been able to create a niche in the field of Early Childhood Care and Education. Educator's up-skilling on the new pedagogy and adoption of digital content for playful learning by children is an an integral and on-going part of the process.

# CSC Bal Vidyalaya — of the Month —

Karcheliya, Surat, Gujarat

It has been a great life changing experience working on the project CSC Bal Vidyalaya . The program has provided resourceful training via online webinars even during hard times of covid-19 pandemic for our educators. Use of devices like Alexa, LED TV, Digital tablets and resources like Kutuki, Arloopa and Augmented Reality based technology created by IIT Delhi have changed the teaching and learning environment in our classroom.

I feel proud to be a principal of a school like CSC Bal Vidyalaya. In CSC Bal Vidyalaya, technology plays vital role in making the teaching as well as learning not only smooth but joyful as well. Here, we are trained on various aspects of teaching on a regular basis. Our parents admire the technology that our educators use in classrooms.

Ms. Nital D. Patel Educator, CSCBV

Mr. Prerit Patel
Parent

As a father, I am very grateful to the CSC Bal Vidyalaya Karcheilya, because my child's life is being formed in a fun manner. The teachers of this school are very smart and knowledgeable . Here students are given fun and learning.... Playful learning.... Technology based education. My son Hitansh Patel often tells about the animals that comes to his class through AR techology

As far as I know Mr Hiral Gandhi is truly a passionate educator, manager and photographer. He always welcomes new ideas and keeps on trying new technology in his school. CSC Bal Vidyalaya, Karcheilya has grown exponentially under his guidance since its inception. Professionally trained educators are the pillars of his success. We try our level best to have and guide all CSC Bal Vidyalaya to provide quality eduction in rural India.

## Fourth CSC Bal Vidyalaya Inaugurated in Kerala

On November 14<sup>th</sup> 2022, one more CSC Bal Vidyalaya in Kerala was inaugurated formally by the State Head Mr B Rajeevan.

This CSC Bal Vidyalaya is owned by VLE Shri Vipindas in Thrissur district of Kerala. Mr B Rajeevan during his speech said that CSC Bal Vidyalaya is the first and fastest growing network of Technology-enabled pre-schools designed for rural India. He also shared that with this inauguration Kerala now owns four CSC Bal Vidyalaya.

Many more CSC Bal Vidyalaya will be opened soon in Kerala. Along with Mr B Rajeevan, Mr Britto T James, District Manager, school principal, teachers and parents graced this event with their presence. On this occasion, children were shown movies too.

# Muppet Making & Storytelling

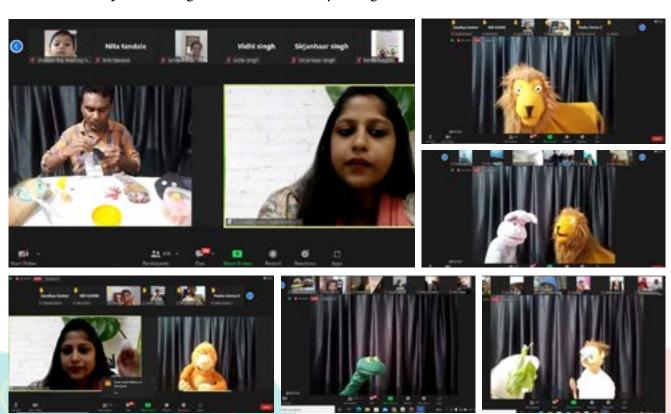

On the occasion of Children's Day, an online training was organized for the children of all CSC Bal Vidyalaya on Muppet making and storytelling by S Chand company Ltd.

Around 700 children from across the country participated in the training. The famous puppet master Mr. Ajit Bhat with his 32 years of enriching experience made the training not only engaging, powerful and humorous as well. Mr. Bhat started the session with a moral story on "Save the Trees" and all the characters in the story were the Muppets created by him only.

This helped all participants to gain the confidence in storytelling with Muppets. Children from more than 400 CSC Bal Vidyalaya learnt to make Muppets during the session under the supervision of their parents or school educators.

As Muppets are known as attention gainers in pre-schools, around 340 educators of CSC Bal Vidyalaya participated too. Our educators not only experienced the benefits of using Muppets for activities of storytelling, singing and dancing for little children, they learnt the steps of making Muppets with household waste materials like socks, other cloths etc.

Storytelling through Muppets has multifold benefits for young children like, it improves concentration and listening skills, gives exposure to pronunciation of words and language formation, improves imagination, makes storytelling fulfilled etc.
