I'm grateful to the CSCBV franchisee for giving me the chance to join CSC Bal Vidyalaya, and I'm proud of it. Children love to play and learn while learning with the help of CSCBV's excellent curriculum and technological partnership. The fact that kids are receiving more from our school than their expectation. In addition, CSCBV offers us excellent support by offering training, a digital Tab, and many other things. I appreciate CSCBV.

I'm proud to be an Educator of CSCBV, as an educator I found that our Kids are really enjoy to play and learn, and CSCBV's curriculum with Technology Enabled made it more enjoyable for them. Our parents are very happy with our education policy.

I feel great and proud that we have admitted our daughter in CSCBV Teliamura, when we have admitted her in the school she don't know anything, but after 3 months we found lots of different. That is really amazing for us. Now we prefer to other parents also to bring their kids in CSCVB family, they will enjoy the quality of education.

Since beginning of his association with CSC, Anup Deb has been more interested in the domain of education. I personally appreciate his educational efforts in his area, especially offering quality Early Childhood Education through CSC Bal Vidyalaya. CSC Bal Vidyalaya A Step Towards Rural Transformation

You can teach a student a lesson for a day; but if you can teach him to learn by creating curiosity, he will continue the learning process as long as he lives.
